

END-USE CERTIFICATE

In accordance with the regulations of the Federal Republic of Germany regarding export control and the German Association of Chemical Companies (VCI) we certify that the goods supplied by

Name of supplier: LANXESS Deutschland GmbH
Description of the goods: Lewabrane and Lewatit Type's
Final destination (City, Country): Germany

will be delivered only to customers considered absolutely reliable by this company.

We (I) declare unequivocally that the above-described goods will not be used in any nuclear explosive activity or unsafeguarded nuclear fuel-cycle activity; that the goods will not be used in any activities related to the development or production of drugs or chemical or biological weapons; that the goods will only be used for civil end-uses.

The goods will only be delivered to a third person/company on the condition that this third person/company is known to be trustworthy and reliable in observing such commitments.

Further We (I) confirm, that we will only sell the product to any dealer involved in export business under the condition that the customer we supply and who is known to us provides us with a statement of final destination confirming the civilian and legally permissible use of the product. We will retain this statement from our customer and present it upon request.

We (I) hereby confirm that I do not forward materials or goods controlled by Council Regulation (EU) No 36/2012 (in its current version) to a "Syrian person, entity or body" as defined by the aforementioned regulation.

We (I) hereby confirm that I do not forward materials or goods controlled by Council Regulation (EU) No 267/2012 (in its current version) to an "Iranian person, entity or body" as defined by the aforementioned regulation.

We (I) hereby confirm that I do not forward materials or goods directly or indirectly to a natural or legal person, entity or body, or a natural or legal person, entity or body associated with them, as listed in Council Regulation (EU) No 269/2014 in its current version (restrictive measures in respect of actions concerning the Ukraine).

We (I) confirm that any use of LANXESS goods for nuclear applications in the following countries must be announced upon a written notice to BU Liquid Purification Technologies prior to the offer: *Algeria, Iraq, Iran, Israel, Jordan, Libya, North Korea, Pakistan, Syria*

The end-use in Crimea and Sevastopol is strictly prohibited.
This certificate shall be valid until end of year 2018.
